Palm Sunday –

With no palms this year, let's get creative!

PALM BRANCH CROSS: Instead of Palm Branches, let's use strips cut from a paper bag! Cut strips about 2" wide so you can fold in half length-wise. This will make a more solid cross!

PASCHAL CANDLE DAY

"On Holy Saturday, the Paschal Candle is blessed and lit for the first time. It will be used throughout the Easter season and at Baptisms until next Easter."

Paper Paschal Candle

Print this and wrap around a empty paper towel roll (add a paper flame) OR wrap it around a tall glass votive.

Paschal Candle

The Paschal candle represents **Jesus Christ**, the Light of the World.

Made of **pure beeswax**, it represents the **sinless Christ** who incarnated in the womb of His Mother.

The priest inscribes in the candle a **Cross**, the first and last letters of the Greek alphabet, **(1) Alpha** and **(2) Omega** 'the beginning and the end') and the current year.

Five grains of incense inserted into it in the form of a cross, recalling the **aromatic spices** used to anoint Our Lord's Body, and the **five wounds** in His hands, feet, and side.
